SPECIAL GUESTS, AND WORKSHOPS FOR KIDS!

*Special Preview Show and Reception*  
*Friday, July 1st @ 7:30pm*

## Making History...

There is lots of excitement building about Granite State Circus! We think GSC is a perfect fit for NH's Lakes Region. With 11 shows weekly for 9 weeks we could see 30,000 visitors. If the summer is a success, we will be the first woman built and owned tented circus - ever! We are seeing lots of interest in the press with some travel writers as well as local media (Telegraph, Monadnock Ledge, Globe). And... GSC has been invited to participate in the 2017 Smithsonian Folklife Festival. We will be filming a documentary of the whole building process and circus life at Weirs over the summer. Our film will showcase the Lakes Region and has the potential to be viewed by 1 million people during the festival! For more information on sponsoring the show please contact:

Sara Greene at 603-325-5560
